

# Anticoagulation: Applying Innovation in Clinical Practice

## PROGRAM

Chairman: Ajay K Kakkar, UK

13.30 – 13.40	<b>Introduction: The Global Burden of Thrombosis</b> <i>Ajay K Kakkar, UK</i>
13.40 – 14.00	<b>Venous Thromboembolism – Still a Clinical Challenge?</b> <i>Jeffrey I Weitz, USA</i>
14.00 – 14.20	<b>Therapeutic Intervention for Venous Thromboembolism – What is the Standard of Care?</b> <i>Alexander GG Turpie, Canada</i>
14.20 – 14.40	<b>Cancer-associated Thrombosis – What is the True Burden of Disease?</b> <i>Ajay K Kakkar, UK</i>
14.40 – 15.00	<b>Preventing and Treating Thrombosis in Cancer Patients</b> <i>Howard Liebman, USA</i>
15.00 – 15.20	<b>Anticoagulation and Atrial Fibrillation – Current Perspectives</b> <i>A John Camm, UK</i>
15.20 – 15.40	<b>Is there a Role for Anticoagulation in Patients with Arterial Disease?</b> <i>Speaker to be confirmed</i>
15.40 – 16.25	<b>Interactive Discussion – Applying Innovation in Clinical Practice</b>
16.25 – 16.30	<b>Closing Remarks</b> <i>Ajay K Kakkar, UK</i>

Join us for reviews and perspectives on the latest evidence from randomized-controlled clinical trials, ongoing registries as well as the most recent clinical guidelines.

**We look forward to welcoming you and your participation in this symposium.**
